- Monitoring of the trials of the violent events of July 5, 2021
- Activities of the Conservative Movement/Alt-Info party

DRI SUMMARIZES THE RESULTS OF A YEAR OF MONITORING OF FAR-RIGHT GROUPS

On October 5, the Democracy Research Institute held a presentation of the results of a one-year monitoring of the activities of far-right groups. As part of the presentation, DRI presented the monitoring results of the assemblies and demonstrations of far-right groups and the activities of the Conservative Movement/Alt-Info party, the monitoring report on the trials of the violent events of July 5, 2021 and the analysis of the activities of far-right groups on social networks and online media.

Democracy Research Institute is a public policy think tank that aims at promotion and protection of human rights and fundamental freedoms; establishment of the transparent and accountable governance system based on the rule of law and human rights; support to the establishment of free and fair society; support to the protection of human rights in conflict-affected regions; restoration of trust among parties and promotion of integration policy and support to the European integration.
