The Democracy Research Institute wishes you a Happy 2024 New Year!

Democracy Research Institute is a public policy think tank that aims at promotion and protection of human rights and fundamental freedoms; establishment of the transparent and accountable governance system based on the rule of law and human rights; support to the establishment of free and fair society; support to the protection of human rights in conflict-affected regions; restoration of trust amon

DRI activities in December

- DRI: The source of funding of Alt-Info, which has the aim of cooperating with a hostile state, should be a matter of interest to the authorities
- DRI: The Prosecutor's Office of Georgia should launch an investigation into the killing of Vitali Karbaia
- DRI: The different decision made regarding two participants in Racha protests lowers the standard of protection of freedom of expression
- DRI's point of view: How can we assess the restriction of activities of civil society and international organizations in Abkhazia?

DRI visit to regions

On December 22, the Democracy Research Institute studied the situation in Gori and Kaspi municipality villages near the occupation line: Kirbali, Bershieti, and Sakorintlo.

DRI in Coalition activities DRI-ის

- Statement of public organizations working on the issue of peace building
- Declaration of Civil Society Organizations on establishing the "Civil Platform for Peace"
- Current situation in Abkhazia require a systematic policy review from Georgia

Within the framework of the project "Counter stigmatization of civil society and build a positive counter-narrative in Georgia", DRI prepared three video clips
